2009 Summer Library Program

June 16th - July 28th

Discover your creative side this summer as we explore the visual and performing arts, the craft of writing and, of course, the joy of reading!! Keep track of how many books (or how much time) you read each week for a chance to spin the Wheel of Prizes. Join us for special events, storytimes, and other crafty, musical and theatrical activities. We'll wind up the program with a grand finale art fair and talent show so you can share your own special talents.

Registration begins June 16th. Come in to sign up, get your summer reading materials and all the information you will need to follow the program.
