### TAG - YOU'RE IT!

Starting in April, library staff will begin tagging "green" articles in magazines with "Eco Tags". These markers will take you right to environmental articles. If you find an unmarked article, let us know so we can tag it.

### ECO-TALK BOOK DISCUSSION - APRIL 3RD

One need only look back to the Dust Bowl Disaster of the Great Depression to understand how total disregard for our environment unleashed chaos and destruction that led to the most prolonged environmental disaster in the U.S. Timothy Egan's book, *The Worst Hard Time*, is the untold story of a decade-long catastrophe as seen through the eyes of those who survived the brutal High Plains dust storms of the 1930s. Join us at **6:30 on April 3<sup>rd</sup>** for a discussion. For more information, contact Kris or Pam at 798-3881.

### SEED EXCHANGE

Check out the Rosemary Garfoot seed exchange basket located in our entryway. Trade your unwanted seeds for new and different ones to try in this year's garden. To help you in planning the garden, there is an assortment of garden catalogs to thumb through in the library.

### EARTH DAY IS APRIL 22ND

Beginning April 1<sup>st</sup>, come to the library and check out a book from the Environmental Collection to enter a drawing for a reusable canvas tote bag and water bottle. On Earth Day we will hold the drawing with three prizes (adult, teen and children) being awarded. Everyone is invited to help us celebrate the occasion on Tuesday, April 22<sup>nd</sup> with a piece of Earth Day cake!
