## ARTSTRIBE PRESENTS COVER TO COVER

### March and April

We are honored to have the opportunity to share this beautiful exhibit of works by local artists with our community. In this rare collaboration, arts-TRIBE takes on the "book"... books as subject matter, books as raw material, books as inspiration. The exhibit debuted at the 2010 Wisconsin Book Festival and will tour eight different public libraries throughout 2011. While you're here, pick up a set of notecards of these striking images for just \$10 - 80% of each sale will be donated to the library.

## ECO ART MANDALAS

Wednesday, April 13th

4 - 6 PM Teen Workshop

6:30 - 8:30 PM  
Family Workshop

(all ages welcome, but children under the age of 9 must be accompanied by an adult)

Come help us celebrate  
**National Library**

**Week**, and the upcoming Earth Day, and explore your creative side.

Artist **Nicole Klinge** will help you create your own 8"x 8" mandala out of recycled materials, including wrappers, packaging, plastic bags, etc. We will first use protractors and compasses to create a geometric template, then add color and design by cutting shapes out of the colorful materials, and finish the pieces by hand sewing them. We will also create a community mandala for permanent display at the library. You will have the choice of making your own, working on the community project, or both. **Please stop in or call 798-3881 to register.**
