Proceeds are used to supplement the Summer Reading Program and to support the library's commitment to the National Endowment for the Humanities Grant.

*\* We are still accepting used books, DVDs, CDs, audiobooks, kids' games, and puzzles.*

## SEED EXCHANGE

Once again the **Cross Plains Garden Club** is sponsoring a seed exchange at the library from March through early June. Gardeners (or gardener wannabes) who enjoy trying new varieties of flowers, herbs or vegetables are invited to participate. Bring your extra seeds to the Library's seed exchange and pick up a new variety to try.

All seeds must be labeled. If you need the original package, put the seeds in a paper envelope, labeled with the variety. Do not use plastic as it can trap moisture.

Tempting seed catalogs will be available to enjoy at the Library. If you have any interesting catalogs, please bring them to share.

*\*Shameless Plug - The Cross Plains Garden Club meets on the first Wednesday of each month at 7 PM (6:30 in the summer). We're a friendly group, no dues; we just enjoy all aspects of gardening. Come join us.*

## GREEN TUESDAY

Tuesday, May 1st, 6:30 PM

Community Room

**PLANEAT and  
Climate Wisconsin  
Short ICE FISHING**

**PLANEAT** is the story of three men's life-long search for a diet, which is good for our health, good for the environment and good for the future of the planet. With an additional cast of pioneering chefs and some of the best cooking you have ever seen, the scientists and doctors in the film present a convincing case for the West to re-examine its love affair with meat and dairy. With the help of some innovative farmers and chefs, **PLANEAT** shows how the problems we face today can be solved, without simply resorting to a diet of lentils and lettuce leaves. Also screening, Climate Wisconsin's **Ice Fishing** short.

Prue McKeel's life is ordinary. At least until her brother is abducted by a murder of crows and taken to the Impassable Wilderness, a dense, tangled forest on the edge of Portland. No one's ever gone in—or at least returned to tell of it. So begins an adventure that will take Prue and her friend Curtis deep into the

Impassable Wilderness. There they uncover a secret world in the midst of violent upheaval—a world full of warring creatures, peaceable mystics, and powerful figures with the darkest intentions.
