### ECO-TALK BOOK DISCUSSION - APRIL 3RD

*The Worst Hard Time* by Timothy Egan is the title to be discussed at the next Eco-Talk Book Club. One need only look back to the Dust Bowl Disaster of the Great Depression to understand how total disregard for our environment unleashed chaos and destruction that led to the most prolonged environmental disaster in the U.S. Egan's book is the untold story of a decade-long catastrophe as seen through the eyes of those who survived the brutal High Plains dust storms of the 1930s. Join us at 6:30 on April 3<sup>rd</sup> for a discussion *The Worst Hard Time*. For more information, contact Kris or Pam at 798-3881.

## PRAIRIE GARDEN DESIGNS

---

As a project for the Environmental Studies classes taught by Debra Weitzel and Mike Duren at Middleton High School, students designed a prairie garden to be installed at the Rosemary Garfoot Public Library. Their plans include a landscape design, a budget and a grant proposal. On February 20, from 6:30 to 8:00pm, the top five plans will be on display and students will be available to answer questions. The winning design, as selected by the library board, will be installed on the library grounds in the spring.

## SEED EXCHANGE

---

To all gardeners and gardener wannabes, check out the Rosemary Garfoot seed exchange basket located in our entryway. Share your unwanted seeds, and exchange them for new or different seeds to try in this year's garden. To help you in planning the garden, there is an assortment of garden catalogs to thumb through in the library.

## TURNING THE LAST PAGE

---

The most difficult part of reading an incredible book is turning the last page, knowing you have come to the end of something special. Here at the library, the last page has been turned on the working lives of two employees who put their own special and remarkable stamp on this library. After nearly seven and eight years of service, respectively, we bid a fond and poignant farewell to **Assistant Director, Sue Freedman** and **Library Assistant, Linda Schmit**. Thank you Sue & Linda for the spirit and commitment you brought to the community and to the Rosemary Garfoot Public Library.

## WET BOOKS ARE EX-BOOKS

---

We are sad to report we have had to throw away many books that have been returned in the bookdrop ruined by wet weather. Please be sure and protect your library materials in waterproof bags when you take them outside. THANKS!!
