GOING ON VACATION? STOP YOUR HOLDS

Have you waited for a best seller to arrive at the library only to have it sent back because you were on vacation? Library staff can set your holds to "inactive", or show you how to do this yourself, so you don't miss out on receiving your materials. The week before your trip, log into your LINK account and set your holds to "suspend", or call staff to request a stop be placed on your holds. When you return, either you or the staff can reactivate your holds.

NEW INTERNET PROCEDURE STARTS JUNE 1

Starting June 1, the library will require patrons to show their library cards each time they use the Internet. With a busy summer ahead, keeping track of Internet use and ensuring all patrons have a fair chance to use the computers becomes a bit intense for library staff. So even if we've known you for years, you will still need to have your card with you if you wish to surf the net or check your e-mail. Thanks for helping us improve our efficiency!

LIBRARY KIDS WHO CARE

At the Rosemary Garfoot Public Library we care about kids. Parents, you can help your children learn to show us they care about the library, too!

A kid who cares . . .

- * . . . is welcome to come by the Circulation desk and ask questions. (Librarians love to help you find what you are looking for!)
- * . . . explores our wide variety of materials: books, magazines, music, kits and movies.
- * . . . presents his/her library card each time at the checkout desk (this is for your own protection).
- * . . . walks and talks quietly so others can concentrate.
- * . . . is gentle and careful with furniture, books, and toys.
- * . . . returns library materials when they are due (due dates are on your checkout receipt).
- * . . . **AND is 8 or younger**, always uses the computers with the help of a parent, caregiver, or sibling who is 12 or older. **(Children 8 or younger must be accompanied at all times by a parent, caregiver, or sibling who is 12 or older, and may not be left unattended.)**

We welcome all kids, of all kinds, to our library!

COME AND LISTEN TO JOHN FRANCIS THURSDAY, JUNE 21ST AT 7:00 PM

We are honored to welcome John Francis, Ph.D., author of *Planetwalker; How to Change Your World One Step at a Time*, to the Rosemary Garfoot Public Library for this special event.

For 22 years, Dr. Francis gave up the use of motorized vehicles as an expression of his personal commitment to creating a sustainable world. He walked across the U.S., sailed and walked through the Caribbean; and Venezuela to Bolivia. In 1991, Dr. Francis was named a United Nations Environment Programme Goodwill Ambassador to the World's Grassroots Communities. From 1991 to 1992, he worked with the U.S. Coast Guard Oil Pollution Act staff as policy analyst, assisting in the development and implementation of a natural resource damage assessment methodology and the analysis of federal oil spill regulations.

Planetwalker has just won the prestigious 2007 Nautilus Book Award, and Dr. Francis' story is currently being made into a motion picture. Join us for this exciting evening!
