If your child needs to move around that's fine and appropriate for this age group. If you need to, take your child out of the room for a bit. Do join us when your child seems ready to try again. No need to try to make your babies and toddlers sit still and be quiet - they aren't ready for that.**

# 1000 Books Before Kindergarten

As your child's first teacher, you are in the best position to help them learn. Five ways to help your child get ready to read are through activities you are probably already doing: talking, singing, writing, playing and reading together. We are here to help you. With library programs, collections and staff assistance, we can help you reach your goal. Sign up for our 1000 Books Before Kindergarten program today!
