Note to parents:

This fall let's explore how our excursions have changed, and how we feel about it. Some of our storytime themes will be about places we can only visit right now through stories, picturebooks, songs and rhymes or games. Others will be places we can visit just with our family and have plenty of space around us to know we are staying safe and healthy.

Here at the library we are committed to helping our community stay safe during these uncertain times. All of our storytimes will be offered online for now, so you can enjoy them from the safety of your own home, and via Zoom, so that we can interact together.

If you would like to be on the email list to receive the link to join our programs, please send a quick message to Ms. Catherine at cabaer@rgpl.org.
