

## **SUMMER LIBRARY PROGRAM 2018 JUNE 1<sup>ST</sup> – AUGUST 4<sup>TH</sup>**

*Get the rhythm and feel the beat!* Enjoy some fine musical performances, try your hand at drumming or making a rhythm instrument, and find out what a difference we can make when we *band* together. Keep track of how much you read each week for a weekly prize, and join a band as we read to support a community donation to our schools' music programs. When you complete your reading log, you'll get to choose a book to keep. There will be performances, storytimes, workshops and special outdoor concerts. **Registration is on June 11<sup>th</sup> at the library. Come sign up, listen to some student musicians, and make your own ice cream sundae!**

### **EVERYBODY STORYTIMES (AGES 0-6)**

**THURSDAYS 6/21 – 8/2, 10 AM:** These programs include a variety of stories, songs, games and crafts based on our summer program theme. *Some guest presenters will join us to share their specialties.*

### **MUSIC WITH COREY (AGES 2-6)**

**TUESDAYS 6/26 – 7/31, 10 AM:** This is an interactive musical experience for toddler and preschool aged children and their families. Come join in the fun, sing songs, and play along. Corey Mathew Hart is a certified Music Together® teacher and a local musician who has won several MAMAs (Madison Area Music Association awards), as well as Overture's Rising Stars competition in 2014. He loves sharing his joy of music with children, creating an enriching experience for them.
