

A UNIVERSE of Stories

SUMMER LIBRARY PROGRAM 2019 JUNE 10TH – JULY 29TH

Shoot for the stars this summer, as we learn all about the universe, have loads of fun, and celebrate the 50th anniversary of the Apollo moon landing! Keep track of how much you read to earn a weekly prize, and to support the Madison Reading Project, a local organization that brings books and literacy programming to underserved children in Southcentral Wisconsin. When you complete your reading log, you'll get to choose a book to keep. Throughout the summer there will be performances, storytimes, animals in the library, and a special outdoor show. **Registration is June 10th at the library. Come sign up, enjoy some games and crafts, and try some blue moon ice cream!**
