## ART AT THE LIBRARY

---

### Flowers, Flowers and More Flowers

#### Luci Shirek

The library is hosting the show “Flowers, Flowers and More Flowers” by Black Earth artist, Luci Shirek. Luci’s art reflects her life experiences. As she travels throughout the country, floral images taken with the camera - yellow Black-eyed Susans and Pink Coneflowers – are turned into realism paintings. At home, Luci transforms her collected flower-themed treasures into cubist abstract paintings. Although her emphasis is watercolor, she is also exhibiting flower-themed collage, rosemailing and clay.

Luci’s art has been previously shown in solo and group exhibits at other libraries throughout Madison and surrounding communities. The McMillan Library in Wisconsin Rapids owns an original painting titled “Milladore” that patrons can check out.

## MORNING MOVIE

---

Thursday, August 9th @ 9:30 AM

### *The Artist*

This dialogue-free comedy-drama stars Jean Dujardin as George Valentin, a matinee idol in Hollywood before the dawn of talkies. His marriage is far from perfect, and one day he meets ambitious chorus girl Peppy Miller (Bérénice Bejo) and is smitten. Very quickly thereafter, sound comes to movies, and George sinks all his money into one last epic silent film, while Peppy becomes a star in the new era. John Goodman co-stars as the head of the film studio working with Valentin. This film won 5 academy awards including best picture. Don’t miss it! Run time is 100

## BE A WINNER AT THE LIBRARY

---

We have an extra summer bonus for bike riders of all ages. When you ride your bike to the library, you can enter a drawing for a free smoothie! Each Friday we will pick a name, and the winner will receive a free smoothie from Crossroads Coffeeshop or Culver’s. Stop by the circulation desk for an entry form.

## STUDENT PHOTOGRAPHY EXHIBIT

---

The library is happy to exhibit a collection of photographs taken by Cross Plains area middle school students who were enrolled the Cross Plains Recreation Department’s Summer Photography Class. The class, taught by Tonya Tubbs and Jane Hoffman, provided students with the fundamentals of photography, such as exposure, aperture, ISO, shutter speed, how light impacts photographs, and computerized photo editing. Each student picked their own favorite photograph to print, mat, and frame, and the result is a wonderful collection of amazing photographs! The photographs will be on display for two to three weeks, so hurry in. They’re wonderful!

Library Hours: Monday, Wednesday and Thursday: 9am-8pm, Tuesday & Friday 9am-5pm, Saturday 10am-2pm
