THE SAPPHIRES

Four smart, gutsy young women become unlikely stars in the most unlikely of places with the most unlikely of allies in *THE SAPPHIRES*. Set in 1968, the film follows Gail (Deborah Mailman), Cynthia (Miranda Tapsell), Julie (Jessica Mauboy), and Kay (Shari Sebbens) as they seize a risky, but irresistible, chance to launch a professional career singing for U.S. troops in Vietnam. Under the guidance of an R&B-loving Irish musician, Dave Lovelace (Chris O'Dowd), the girls transform themselves into a sizzling soul act and set out to make a name for themselves hundreds of miles from home. Inspired by a true story, *The Sapphires* is a celebration of music, family, and self-discovery. Run time is 103 minutes. Coffee is hot at 9:00 AM!

DATABASES AT THE LIBRARY

Need help with a car repair? For those of you who prefer the "book-in-hand" approach, your library owns a collection of Chilton repair manuals that can be checked out. If you're more of a computer person, the library offers two auto repair websites. Auto Repair Reference Center specializes in vehicles from 1945 to the present. The Chilton Library provides automotive repair information for vehicles of the last 30-50 years.

To access these databases, log into LINKcat, and click on the Databases link. Auto Repair Reference Center is listed on the SCLS System-Wide Resources page. Chilton Library can be accessed by clicking on the Locally-Subscribed Resources tab. If you need assistance, please let us know!

Cross Plains patrons also have access to the online version of Consumer Reports. This comprehensive database can be found in LINKcat by clicking on Databases and the Locally-Subscribed Resources tab. Under the Consumer Reports/Subscribing libraries heading, click on the Cross Plains link. There's even a terrific tutorial to help you make the most of this valuable website.

CONGRATULATIONS TO OUR SUMMER READERS!

We Dug Into Reading at the Rosemary Garfoot Public Library!

It was a summer full of fun activities at the library! We had a whopping 296 young readers register for the summer library program! As always, we needed a lot of volunteers and community support to make the program a success – and for this we owe many thanks to our teen volunteers and several community businesses who donated their resources and time. Thanks to Tanos Pizza, Kalscheur Implement, Saeman Lumber, Cross Plains True Value, the Friends of the Library volunteers and Crossroads Coffeehouse. Our library practicum student Naomi Timmerman did an excellent job of making sure everything ran smoothly. Thanks as well to the capable and flexible library staff for their support and fine service.

Congratulations to our grand prize winners: Everett Peters, baby/toddler category, Kate VanGorden, preschool category, Abby Ensenberger, school-age category, Zoe Ystenes, teen category, and Beth Plovovich, adult grand prize winner. We thank all who participated in the program, congratulations to you - you are all winners!

“MUST SEE” PHOTOGRAPHY EXHIBIT

The Cross Plains Recreation Department offered a summer photography program for middle school-aged kids. Tonya Tubbs and Jane Hoffman taught these talented young people how to create beautiful and interesting digital photographs. An exhibit of their favorite work is on show at the library through Friday, October 11th. Please take time to see this wonderful art!
